# Allentown Sober Society 1805

*NJHS MSS.*

AMONG WHAT IS known as the "Hutchinson MSS.," in the Library of the New Jersey Historical Society, is a statement of the formation of one of the earliest of the Temperance Societies in New Jersey. The "Articles" of Association of this Society show that it was formed in Allentown, Monmouth county, and the following is a copy of the same, to which we append the names of its members.

It is further stated that the first meeting was held at the house of Aaron Stewart, April 27, 1805, when a Chairman and Clerk were appointed as stated in the names given below, and Mr. Stewart (last name entered) the Treasurer.

## "ARTICLES OF THE SOBER SOCIETY

"Organized at Allentown, N.J., April 27, 1805. We whose names are hereunto annexed do agree to quit the use of all kinds of distilled spirituous liquors and strive to do all we can to discourage it in others, except in case of sickness or the like, and then to be given by a doctor, or some two or more of said Society. In case any one should break the above said rules in any shape whatever, he shall pay the sum of one dollar for so offending and for every offence, and while he continues to pay the sum above-said to be considered as a member of said Society and enjoy all the privileges of said Society; but, when he refuses to pay, he shall lose all his rights and claim, and no longer be considered a member of said Society. If any should break said rules and pay the above forfeits, the money is to be put into the hands of some two men as Trustees for said Society, which shall be chosen by the members of said Society, and the money to be put to use for benefit of the Society in case of sickness or accident, if he should stand in need. And, further, we jointly agree and bind ourselves unto one another to assist and help one another in any case of distress which may accidentally happen to any, but shall help one another as brethren in all cases, preferring hiring or dealing one with another before others, provided we can get served as well.

"And for the further establishing said Society we agree to meet and hold meetings from time to time for the promotion and benefit of said Society, as witness our hands."
